

Krazy Kat Theatre Company present

# growing, growing... gone!

## the story of jack and the beanstalk

Directed by **Robbie Jones**

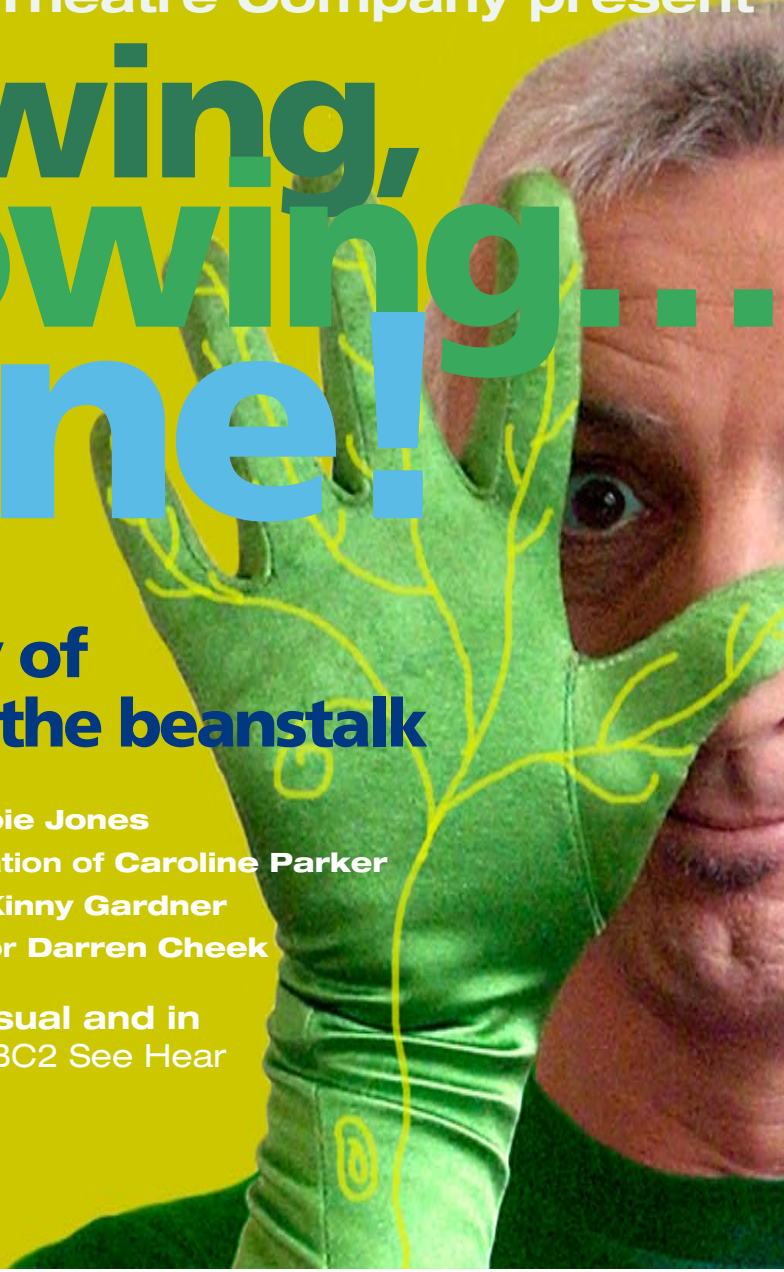

With the participation of **Caroline Parker**

Artistic director **Kinny Gardner**

Associate director **Darren Cheek**

'Brilliant! So visual and in  
sign, great!' BBC2 See Hear

ARTS COUNCIL  
ENGLAND

Can two actors and a watering-can cover this tall tale of Jack and the Beanstalk? **Krazy Kat** present an imaginative and unpredictable storytelling extravaganza with magic tricks, original music, silly puppets and a rather cross giant!

For all four to eight year olds and grown-ups too, this work features fully integrated sign language.

# growing, growing... gone!
